August 24, 2018

Greetings Central Parents/Guardians,

We are excited to embark on a new 2018-2019 school year. This year, we are introducing an opportunity for students to enrich their middle school experience by becoming involved in additional enrichment activities.

Extended Learning Opportunity, ELO, is an optional, non-graded course offered to students on Mondays, Tuesdays, Thursdays and Fridays during **7th period within the normal school day: 1:53-2:25 p.m.** All students will be enrolled in a 7th period ELO course or silent reading class four days a week.

Students will also have the **option** of attending the same course every **Wednesday during 7th period 12:41-1:35 p.m. after the normal Wednesday school day.** Students who sign up for the Wednesday course will be committing for the semester as attendance will be required once they commit. The purpose of this program is to enhance your student's middle school experience. Students have the option to apply for an Extended Learning course and upon acceptance to the course, will need to maintain good attendance to stay enrolled into the program.

Students accepted in an Extended Learning Opportunity (ELO) course will be expected to:

- Follow the Cub Code of Conduct school-wide expectations.
- Report on time to 7th period daily including Wednesdays (12:41-1:35).
- Be prepared and actively participate in course activities.

Parent Expectations:

- Support our student behavior policies .
- Plan for student pick-up on Extended Learning Wednesdays (**class ends at 1:35 p.m.**).
- Help your student to maintain regular attendance, failure to do so may result in removal from the program.

We are excited for this opportunity for our students to participate in our Extended Learning Program. Specific information regarding the courses offered will be provided to students next week. Courses will begin the week of **September 4th** and the first Wednesday will begin **September 5, 2018.** We appreciate your support

Thank you,

Shani Dahl
Principal
