### 1st Semester Awards Night:

Save the date for our 1st semester awards night which is scheduled for Thursday, February 8, 2024. At the awards night, we will recognize students for perfect attendance, achievement in subject areas, GPA, English learner reclassification and achievement in AVID. Parents of the students who are being recognized will receive a letter of invitation through US mail by the 3rd week in January.

### Husky Pride Night:

8th graders going to North High School are invited to Husky Pride Night on Thursday, February 22, 2024 from 6:00-7:30 p.m.

### Engaging Families in Digital Citizenship:

Last semester, our students participated in digital citizenship lessons and now we want to provide some helpful information for our parents too. If you go to the website [www.commonsense.org/education/family-resources](http://www.commonsense.org/education/family-resources) there are many great resources for our parents to use when talking to their students. Here are an example of a few of them:

- Cyberbullying, Digital Drama, & Hate Speech English | Spanish
- Privacy & Security English | Spanish

Also, here are some direct links to some videos we found that might be helpful to our parents:
