### **Transfer Window:**

The window of school transfers is now open. 8th graders who are interested in transferring to a different high school should speak with their parents about a transfer application and parents need to submit a transfer application on the district website

(<https://www.riversideunified.org/cms/one.aspx?portalId=580805&pageId=13495528>)

8th grade students who are interested in applying to The Riverside STEM school should see Ms. Johnson regarding the application process.

### **Transfers to Arlington High School's Project Lead the Way:**

Any 8th graders interested in transferring to Arlington H.S. for the Project Lead the Way (PLTW) Biomedical Sciences Program, should see Ms. Johnson if you have any questions.

### **Girls Volleyball Tryouts:**

Girls' volleyball tryouts will be held after school from 2:45-4:15 PM today and tomorrow (December 4th and 5th). Remember that students must have a current physical on file before tryouts. Central will be offering sports physicals at 3:00 PM this Thursday, December 7. Physicals are good for a calendar year so getting a physical this Thursday will benefit 7th graders for the whole year of sports and 8th graders who may be interested in fall sports next year in 9th grade.

### **School Accountability Report:**

Each year, RUSD schools update their School Accountability Report and Central's School Accountability Report has been published on our website
