

Tuesday's Talk
January 9, 2024

2nd Semester:

Happy New Year and welcome back to school. Today is the first day of the second semester and a fresh start with grades in all classes. It's best to get help early so students that are struggling should attend math tutoring after school on Mondays, Tuesdays, and Thursdays or language arts tutoring after school on Thursdays and Fridays.

Martin Luther King Jr. Day:

All RUSD schools will be closed next Monday, January 15 for the MLK holiday.

1st Semester Awards Night:

Save the date for our 1st semester awards night which is scheduled for Thursday, February 8, 2024. At the awards night, we will recognize students for perfect attendance, achievement in subject areas, GPA, English learner reclassification and achievement in AVID. Parents of the students who are being recognized will receive a letter of invitation through US mail by the 3rd week in January.
