

Tuesday's Talk
September 5, 2023

Parents Needed for School Site Council:

We are interested in finding parents of students who would like to volunteer to serve on our School Site Council for the 2023-2024 school year. Central's School Site Council meets seven times during the academic year and meetings are scheduled on the first Tuesday of the month and the School Site Council members mutually agree on the location of the meetings (on campus in person or online).

We are now accepting nominations for **3 parent positions** on the Site Council.

The purpose of the council is to review the School Plan, to serve in an advisory and decision making capacity regarding any changes in school policies and procedures, and to assist in any program reviews which may involve classroom observations and analysis of student data.

If you are interested in placing your name on the ballot, please complete the form attached to today's email and return it to the Central Office or you may complete and submit this google form by Friday, September 14, 2023.
